Honor Hospital Guild at Coffee

The Rolling Hills home of Mrs. Arthur D. Pedersen was the setting for the Coffee Klatch hosted by the Auxiliary to the Bay Harbor Osteopathic Society the morning of April 30.

The event honored the many members of the Bay Harbor Osteopathic Hospital Guild and their work this past year.

A highlight of the morning was the presentation of dolls dressed by members of the auxiliary for the Hospital Guild's forthcoming fund-raising project.

Greeting the many guests were Mmes. Otto Frantich, Gardena; G. F. Quiros, Redondo Beach; and Arthur D. Pedersen. At the silver coffee urns were Mmes. Robert Patterson, Rolling Hills; Paul D. Yates, Hermosa Beach; Don Cortum, Redondo Beach; and Ernest H. Fogelberg, Rolling Hills.

Mmes. Dean Brown, Gardena; Robert Patterson and Paul D. Yates were in charge of invitations and refreshments; Mrs. William Kimpel, Torrance, handled the decorations; and Mrs. Ernest H. Fogelberg was in charge of publicity.

County Engineer Refutes Foreign Steel Charges

County building officials this week denied Councilman Victor E. Benstead's charges that foreign steel is being used in the construction of the Torrance court house.

County Engineer John A. Lambie informed Supervisor Kenneth Hahn that his laboratory had tested the material and found that it was made by California steel mills. He also pointed out that coun-

Club Postpones Social Evening

Plans have been changed by Betsy Ross Club for their special potluck social evening previously scheduled for May 17. The evening will now be held in June at the home of Bettine Miller, 1724 Date st., the date to be set later.

The change was made because of a breakfast scheduled for the DeMolay boys, their parents and friends to be held May 18 at the Torrance Masonic Temple.

Regular meeting of the Betsy Ross Club will be held May 13 at 10 a.m., with a dessert luncheon to be served at noon.

ty rules call for the use of domestic materials whenever they are available. Benstead charged that foreign steel is being used despite layoffs of Torrance steel workers.

Parent Group Nominates Officers

At the last meeting of Point Two Parent Group held jointly with the Lennox group, it was announced by Mrs. Bowen there would be an open house at the Pacific State Hospital on May 3, and on May 17 there would be held an institute for parents of retarded children at the Children's Hospital.

Harold Ritz and Mal Carpenter, district commissioner of Scouts, and district chairman of achievement and advancement, respectively, reported a troop committee had been organized and was progressing satisfactorily in organizing a Scout troop.

In a group discussion led by Kanatsky it was decided not to join the PTA but to remain a separate parent group. The motion was made by Mrs. Luzan,

seconded by McBride and carried by the members.

Officers for the coming year were nominated, and as a result of a secret ballot the following were selected:

President, Harold McBride; vice president, Harold Ritz; secretary, Mrs. Paul Snyder; treasurer, William Smith.

It was announced by Mrs. Brown there would be a summer school session for the Southwest cooperative point two program at the Meadow Park School from June 23 until August 1.

Guest speaker at the next meeting, May 27, will be Marvin Pierce, who will give a report of the Sheltered Workshop of the Harbor Area Exceptional Children's Foundation in San Pedro.
